About Us

Metric5 delivers the capabilities of a mature Federal contractor, with the agility and flexibility of a customer-focused small business. Our dedication and experience enable your mission through effective and forward-thinking technology, strategy, and management solutions.

Our services include program and project management, agile transformation, enterprise architecture, strategic planning, application development, DevSecOps, ERP and CRM, quality assurance, and comprehensive operations and maintenance support.

Metric5's Core Values provide the framework for how we run our business to best serve your business.

- Do it the right way.
- Lead.
- Live and learn… and teach.
- Be the "go-to".
- Have some fun!
